About Us

Raad's oil industry and trade

Founded in 1966 with the first founder George Raad.

The idea was to deliver the best extra virgin olive oil to the most possible People then He Established brand name, George Raad.

The goods are in many areas of Lebanon and the work was hard, with primitive equipment.

Soon to shine the name when the beginning of Lebanon war and the work in suspended in the market Year 1975, I was at the age of 4 years.

1994/5/7 was the beginning of the draft supplement to the parent.

Olive oil to be wrung from the cold olive Alaeroni is the best pressed olive.

Raad is the hallmark of the company's products.

And with the quality of the goods to customers began to ask for our products therefore we've created a laboratory for all types of leaps.
